

Installing GBase on Android and iOS devices

Section 1 - Android Devices

Step 1

Open web browser on android phone and browse to <https://admin.clerkingandappeals.co.uk>
(best carried out in Chrome)

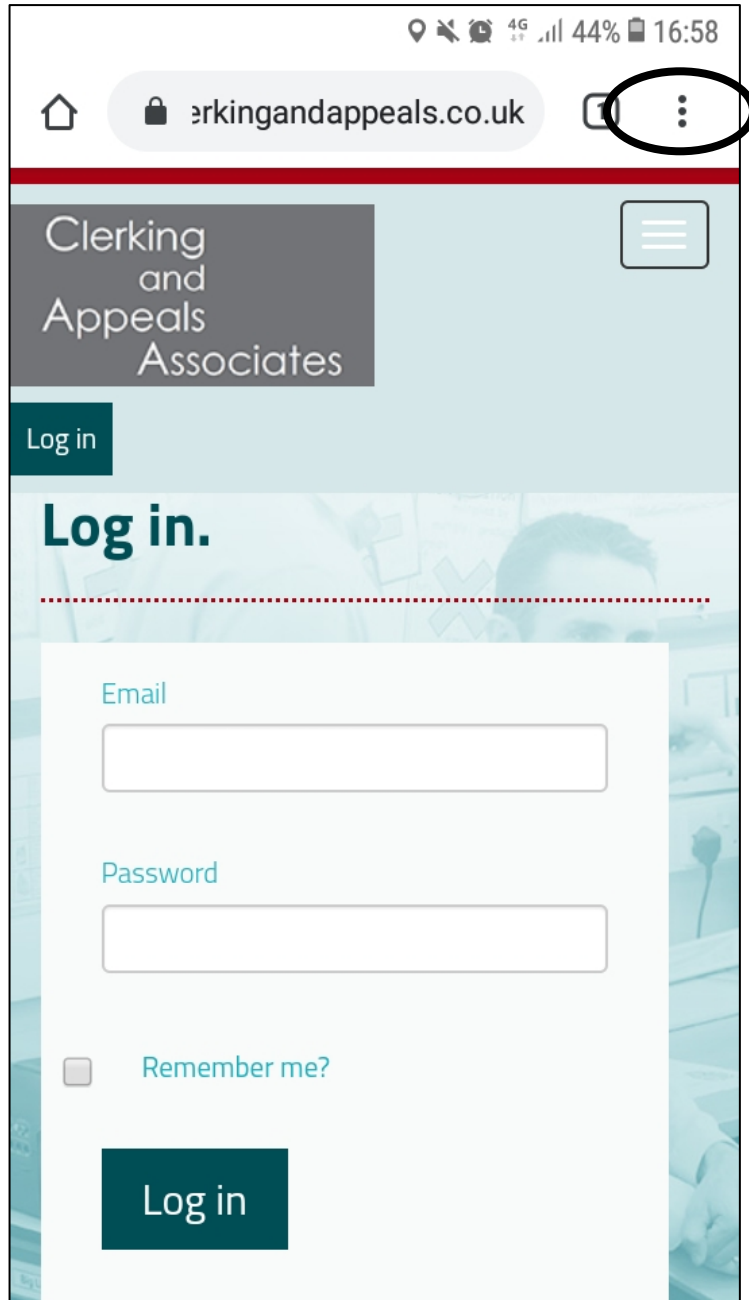

The screenshot shows a mobile browser interface. At the top, the status bar displays icons for location, signal, 4G, and battery at 44%, with the time 16:58. The browser address bar shows the URL admin.clerkingandappeals.co.uk. Below the address bar, the page header features the text "Clerking and Appeals Associates" on the left and a hamburger menu icon on the right. A "Log in" button is positioned below the header. The main content area is titled "Log in." and contains a login form with the following elements:

- An "Email" label above a text input field.
- A "Password" label above a text input field.
- A checkbox labeled "Remember me?".
- A dark teal "Log in" button at the bottom of the form.

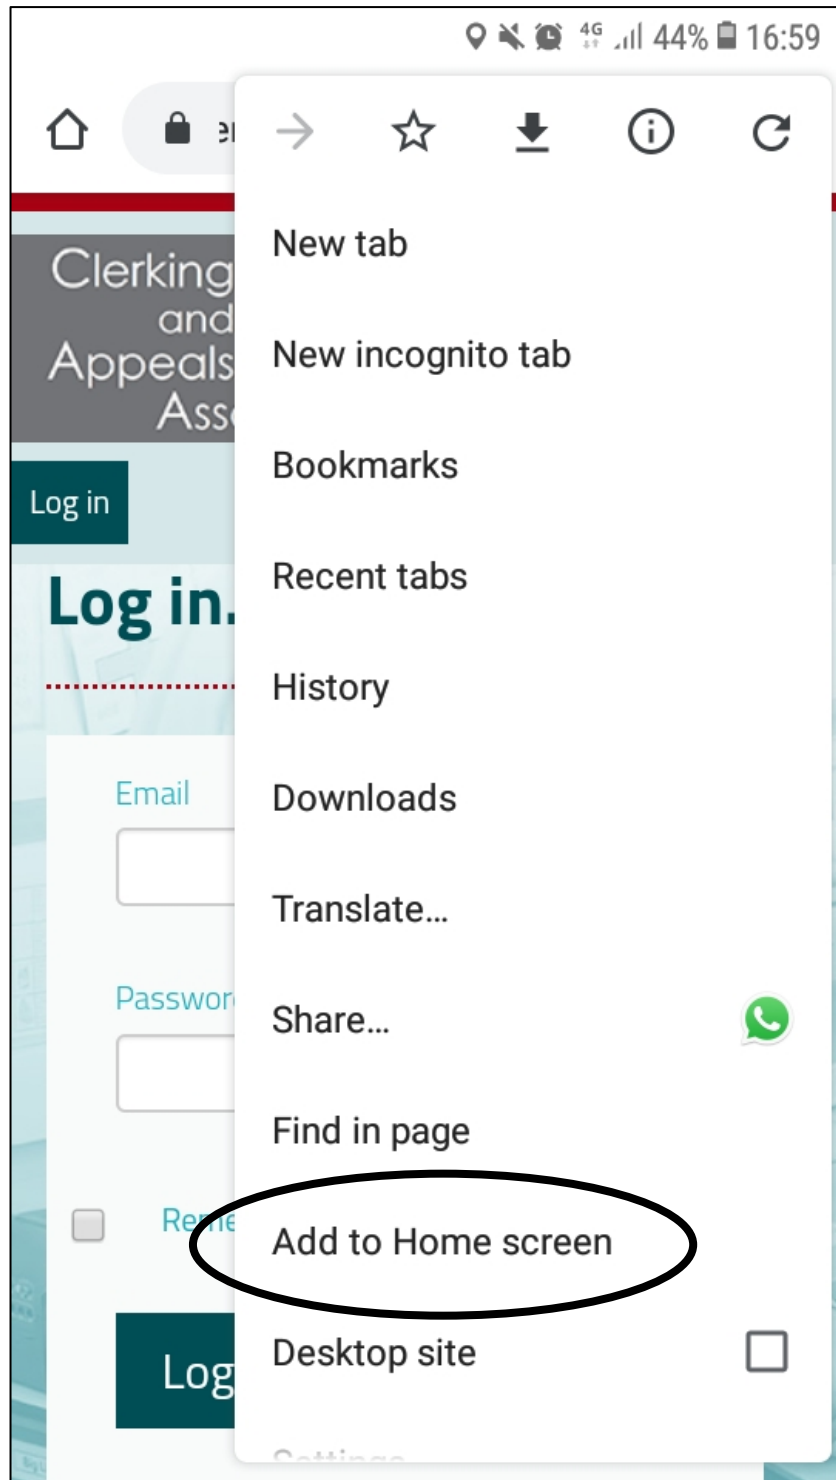

Step 2

Click the 3 dots in the top right-hand corner as circled in the screenshot below:

Step 3

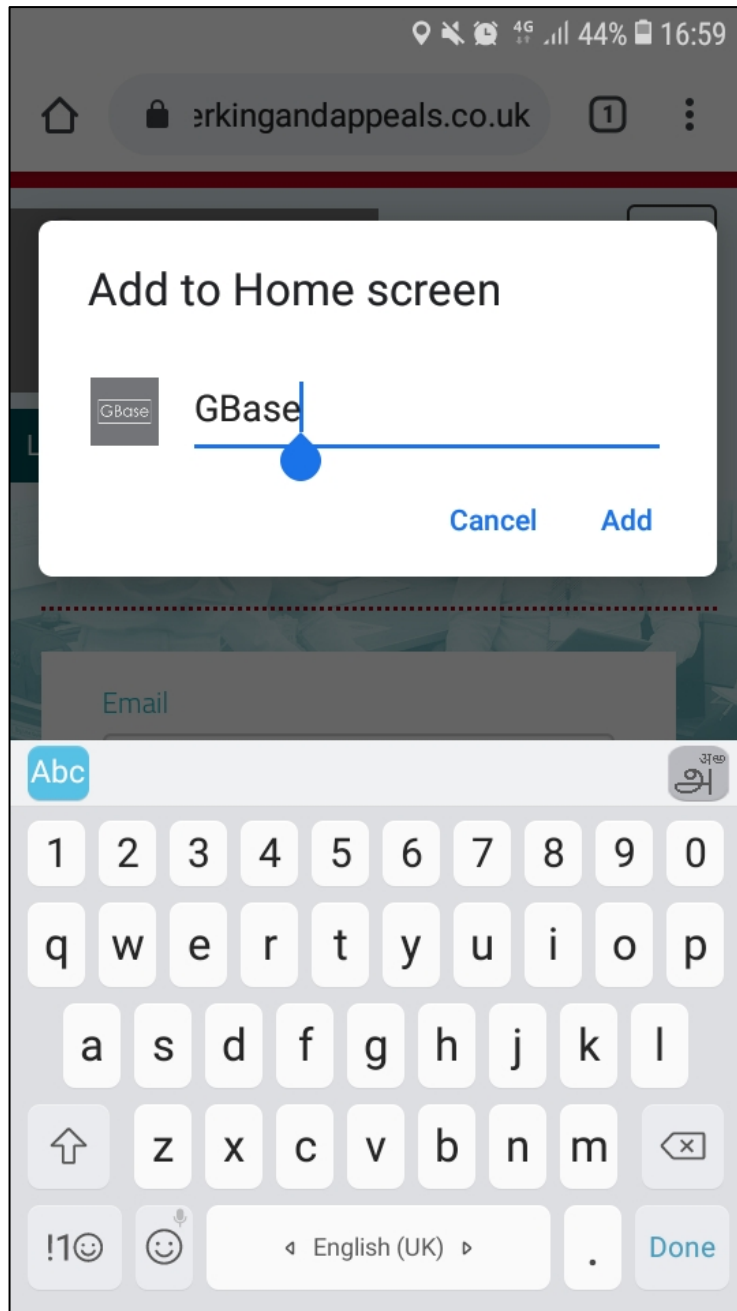

Scroll down and click on 'Add to Home screen' as shown circled in the screenshot. below

Step 4

Select name for the shortcut and click Add as shown below:

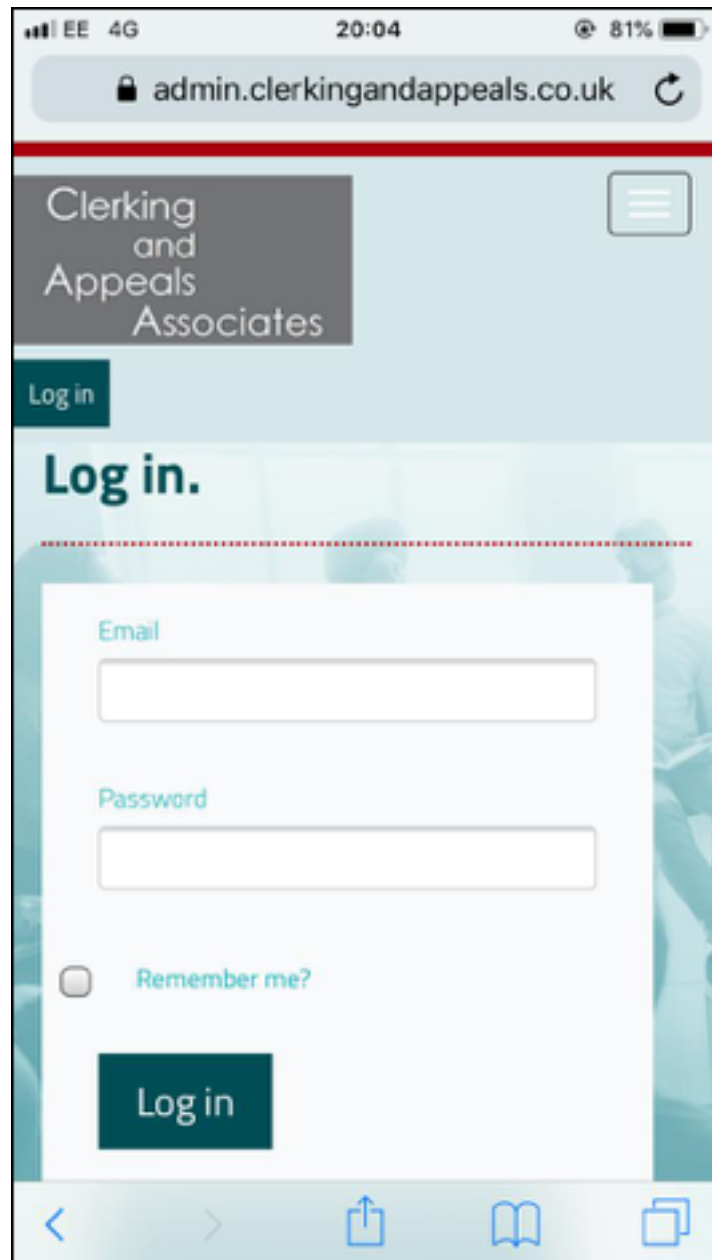

This will then add the website for GBase (Clerking and Appeals Associates Limited) as an app on your phone's Home Screen.

Section 2 - iOS Devices

Step 1

Open Safari and browse to the website <https://admin.clerkingandappeals.co.uk>

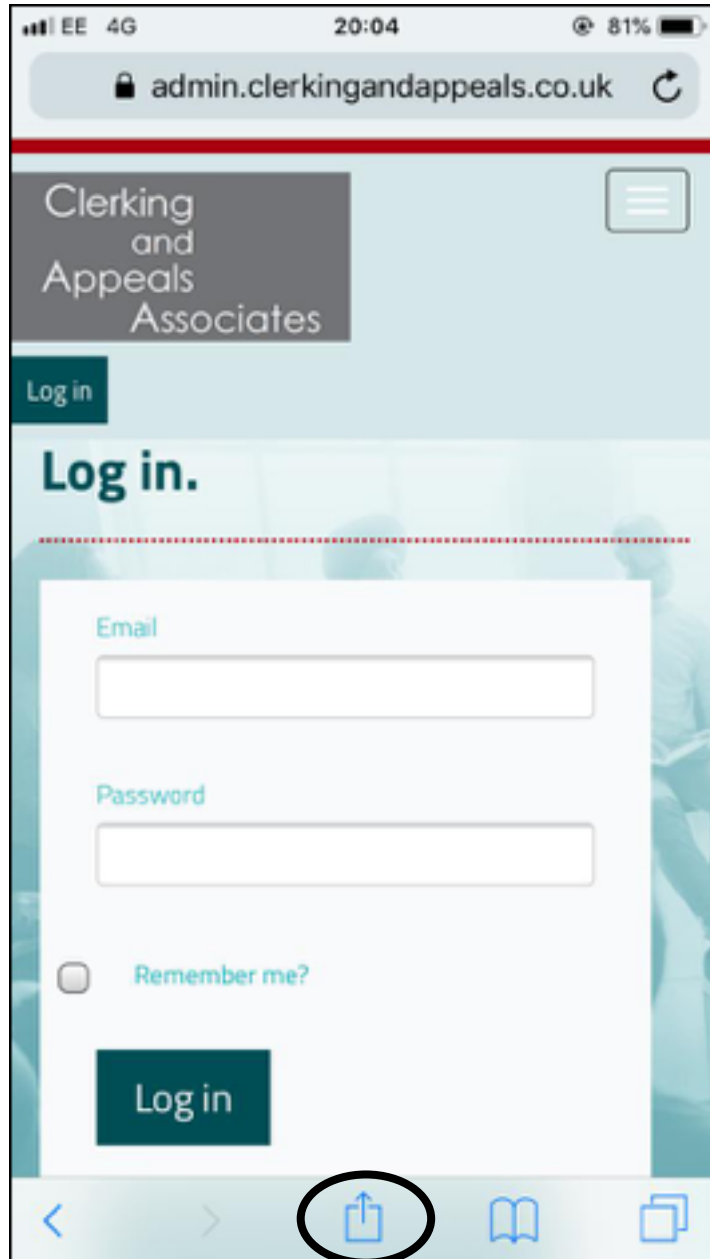

The screenshot shows a mobile browser interface. At the top, the status bar displays 'EE 4G', '20:04', and '81%' battery. The address bar shows the URL 'admin.clerkingandappeals.co.uk'. The page header features the company name 'Clerking and Appeals Associates' and a menu icon. Below the header is a 'Log in' button. The main content area is titled 'Log in.' and contains a white login form with the following elements:

- An 'Email' label above a text input field.
- A 'Password' label above a text input field.
- A 'Remember me?' checkbox, which is currently unchecked.
- A dark green 'Log in' button at the bottom of the form.

The bottom of the screen shows the iOS Safari navigation bar with icons for back, forward, share, bookmarks, and tabs.

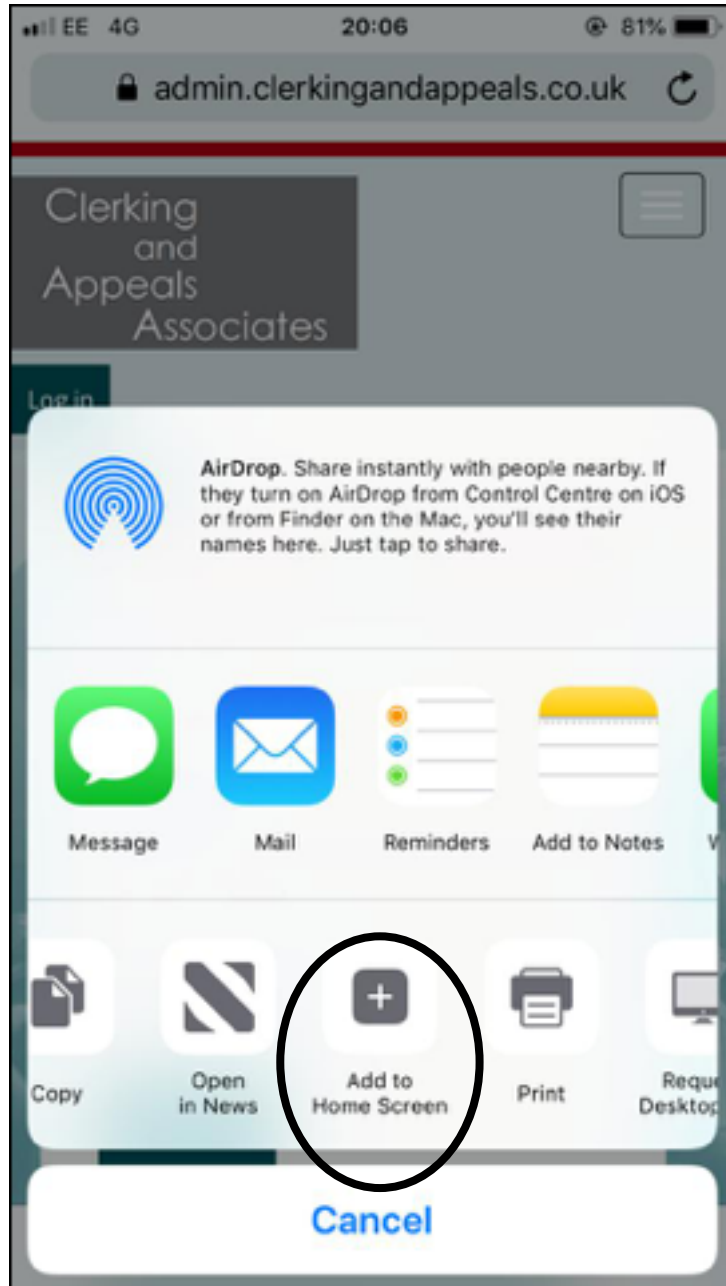

Step 2

Click on the share button as circled in the screenshot below.

Step 3

Select 'add to Home Screen' as circled in the screenshot below and set a name.

This will then add the website for GBase (Clerking and Appeals Associates Limited) as an app on your phone's Home Screen.
